

The Flich Survival Kit

Let us bring Tim Allen's Flich of Bacon Inn to you!

Whilst we are enduring these challenging & uncertain times & going out may simply not be an option, we have introduced a home delivery or take away for collection service to help you get through the coming weeks.

We have created a special menu that offers those home cooked, comfort dishes to make a 'stay at home evening' seem like a big night out.

TIM ALLEN'S
